

This is a loaded question, isn't it? Obviously, most people are going to answer this question by saying the party they don't identify with is the most hypocritical. This is true in my case, at least, because a major issue for Republicans seems to be abortion. They claim to be pro-life, but when not discussing abortion they go out of their way to make life as hostile as possible for anyone else.

user1

What do you think?

user1

There is no question that Republicans are more hypocritical than Democrats. Repubs talk about abortion and saving the lives of children, yet they support guns. They have no problem seeing innocent children being slaughtered by guns, but support abortion bans.

user2

Right. I don't even really have a response to that because it's just true.

user1

Repubs are liars

user2

They talk about being the party of law and order, but they break all sorts of laws.

user2

Rules for thee but not for me.

user1

Did you see the Texas governor's response to the Ulvede shooting?

user1

They talk about election fraud and tampering, yet THEY are the ones who are always caught purging voter rolls and committing election fraud

user2

Are you a robot?

user1

Abbott is a monster

user2

I am a human

user2

Ah, interesting. I think your messages are coming in delayed

user1

Abbott is responsible for the Uvalde shootings

user2

Are YOU a robot?

user2

I agree, but when confronted on that apparently it's offensive. And other Republicans in Texas stepped up to defend him.

user1

I wish I was a robot, then I wouldn't have to realize children will be shot and killed again and again in our country and no one will care.

user1

Of course they did. Honor among thieves

user2

No Republicans anyway*

user1

I hope Beto wins

user2

Same

user1

People should not be roaming the streets with AR-15's

user2

B-b-but Rittenhouse did nothing wrong

user1

Republicans are evil or insane, or both.

user2

The Buffalo shooter will probably be found not guilty as well.

user2

Of course not.

user1

They have no problems protecting killers like Rittenhouse. It is horrible.
